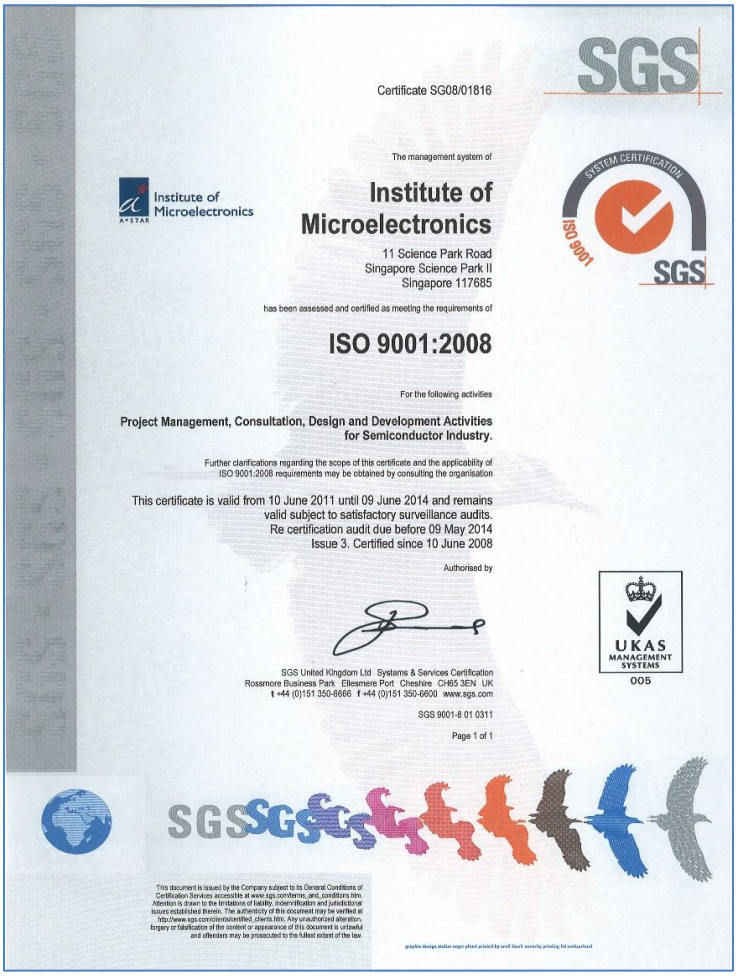
Institute of Microelectronics Announces Successful Renewal of ISO9001:2008

The Institute of Microelectronics (IME) is proud to announce the successful renewal of the latest certification on ISO9001:2008 standard. IME's Quality Management System has been assessed by SGS International Certification Services Singapore, as conforming to the requirements of ISO9001:2008 standard, applicable to:

Project Management, Consultation, Design and Development Activities for Semiconductor Industry

The certification of compliance recognises that IME's policies, practices and procedures ensure consistent quality in the work that IME provides. This demonstrates IME's commitment to be a world-class research institute in advancing microelectronics technology.



SGS

Certificate SG08/01816

The management system of

Institute of Microelectronics

Institute of Microelectronics
A*STAR

11 Science Park Road
